Sir:

A telephone interview was conducted on March 10, 2006, between Applicant's representative, Scott Wakeman, and Examiner Jwalant Amin. During the interview, the examiner confirmed that the January 26, 2006, Office Action was directed to the original claims in this application and did not take into account the claim amendments filed under PCT Article 34. The examiner agreed to issue a new Office Action directed to the Article 34 amended claims. Applicant's representative therefore indicated that a response to the January 26, 2006, Office Action will not be filed and that all issues will be addressed in response to the new Office Action when it is received.
